Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523a, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

Completed work must be inspected immediately. No work is to be covered or concealed until inspected and approved. Permit holder must request inspection; Sub-contractor requests will not be honored. Permits expire 6 months from issue date if work has not started, is not in progress, or work has not been inspected during this time period. Permits & fees are non-refundable and non-transferable.
