Press Release

Park and Grove Street Closures

Ypsilanti, MI, July 14, 2016: Effective Monday July 18, 2016, Grove Street and Park Street will be closed permanently at the intersection of where the rail road tracks crosses each street, north of Michigan Avenue.

The street closings were one of the conditions required by the Michigan Department of Transportation (MDOT) in order to support passenger rail service in Ypsilanti. The cost to the City to perform this work will be covered by a grant from the MDOT rail safety program.

There are no detour routes required for these street closings. If you have any additional questions or concern please contact the Department of Public Services at (734) 483-1421.
