Subject: Resolution No. 2005-151

At the September 20, 2005 City Council Meeting, you passed a resolution adopting the MERS benefit plan for Edward B. Koryzno, Jr. The effective date was September 6, 2005.

Upon submitting the application and resolution to MERS for Mr. Koryzno's benefit plan, I found that the effective date has to be on the 1st of the month.

Further, since Mr. Koryzno is transferring the money from his ICMA account for the initial payment, the date must coincide with the last payment made to this account. The City made a payment to the ICMA account in September. Therefore, the effective date of the adoption of the MERS benefit plan has to be October 1, 2005.

I am submitting the appropriate resolutions for your review and adoption.
