

REQUEST FOR LEGISLATION

From: Lanny Willibey, Interim DPW Director

Date: March 7, 2006

Subject: Service Agreement with Orchard, Hiltz & McCliment, Inc. for Lowell Street Design and Construction Engineering Services

Summary and Background:

Federal Surface Transportation Program - Urban funding has been programmed in the Washtenaw County Transportation Improvement Program for the resurfacing of Lowell Street between Forest Ave. and Huron River Drive in the 2006 construction season. This project is anticipated to include milling, resurfacing, selective sidewalk, curb/gutter and drainage improvement repairs.

This road improvement project will be coordinated with Ypsilanti Community Utilities Authority to include water main replacement. Estimated cost for water main replacement is \$336,000.

The total resurfacing cost is estimated at \$435,000 less \$319,200 Federal Funds, the City's estimated share will be \$115,800.

Funding for the design and construction services needed for this project will be allocated from the Major Street Fund Balance.
