

REQUEST FOR LEGISLATION
July 26, 2006

FROM: Robert J. Bruner, Assistant City Manager
SUBJECT: Wireless Washtenaw

SUMMARY & BACKGROUND:

The Wireless Washtenaw Master Participation Agreement has undergone some minor changes since it was last adopted by City Council on March 15, 2006. Some of the modifications include:

- Changing the words "Governing Entity" with "County"
- Other very minor language changes such as adding or deleting the letter "s" to the ends of words

The provider and Washtenaw County need all local units to adopt the updated agreement to maintain consistency. The project team appreciates the continued support that they have received from the City of Ypsilanti and looks forward to taking the next steps in deploying a wireless network for the Ypsilanti community.
