- Some problems that voters may experience on Election Day are:
 - Voter is in the wrong voting precinct. Call the City Clerk Office for your correct voting location. You may also log onto Publius.org at

www.publius.org to verify your voting location prior to going to the polls to vote.

- You are not registered to vote. You may request a Voter Registration Application from the Election Inspector. Complete it on site and return it to the Election Inspector or the City Clerk's Office. **You will not be able to vote in the current election.**
- You may have moved to another neighborhood or out of the community. Depending on when you moved, you may still be able to vote in your previous voting location. You will, however, need to complete a change of address form with the Election Inspector on site, the City Clerk and/or the Secretary of State Office.
- You require assistance to vote your ballot. Election Inspectors from both political parties are available in the precinct to assist you in voting your ballot. Ask the Chairperson for assistance and he/she will assign two Election Inspectors to help you.

Should you experience other related problems at the polls, please feel free to contact the City Clerk's Office at (734) 483-1100 Monday through Friday from 8 a.m. to 5 p.m.
