Resolution No. 2023-001
May 25, 2023

**RESOLVED BY THE POLICE ADVISORY COMMISSION OF THE CITY OF
YPSILANTI:**

That the commission urges city council by formal resolution to submit application and become a member of the National Association for Civilian Oversight of Law Enforcement's (NACOLE)

Whereas: The YPAC is charged to provide advice on police matters to city council and city staff

Whereas: The National Association for Civilian Oversight of Law Enforcement's (NACOLE) is an organization that is charged with to create a community of support for independent, civilian oversight entities that seek to make their local law enforcement agencies more transparent, accountable, and responsive to the communities they serve.

Whereas: The National Association for Civilian Oversight of Law Enforcement elevates and advances high professional and ethical standards for and promotes the independence and authority of all entities charged with civilian oversight. To achieve its mission and promote its vision, NACOLE:

- **Assists, supports, and educates jurisdictions considering or developing civilian oversight of law enforcement;**
- **Trains, educates, and sets high professional and ethical standards for organizations and practitioners charged with civilian oversight of law enforcement;**
- **Provides educational and informational resources relating to the field of civilian oversight of law enforcement;**
- **Supports efforts and strategies that afford civilian oversight organizations independence, adequate authority, and sufficient funding and staffing; and**
- **Defends members against attacks that impede or undermine the effectiveness of civilian oversight.**

Whereas: Organizational members (\$500 annually) are defined as agencies or boards who provide civilian oversight of law enforcement by legislative or executive mandate. These agencies or boards will receive one transferable

regular (voting) membership. All agency or board affiliate members are eligible to serve on committees, however election or appointment to the Board of Directors shall be limited to the designated voting member of the agency or board. Cities or other political subdivisions may obtain one organizational membership to cover all of the entities within it, which meet the requirements for regular membership.

Now therefore the commission requests City Council by formal resolution submit application and become a member of an organizational member of The National Association for Civilian Oversight of Law Enforcement's (NACOLE)
