City of Ypsilanti Arts Commission: Busking Guidelines (DRAFT)

What

The City of Ypsilanti Arts Commission has designated sponsored locations in Downtown and Depot Town for busking and/or other public street performances.

- This program is meant to encourage public performance and does not represent a limit on where or how much busking is permitted. Anyone may busk in any outdoor, public area in the City of Ypsilanti.

Currently, these sites are first-come, first-serve.

- Per City of Ypsilanti policy, public performances are allowed from 10 a.m. - 10 p.m. and shall not exceed 80 dB. Please treat audience members and other performers respectfully.

Other performance guidelines

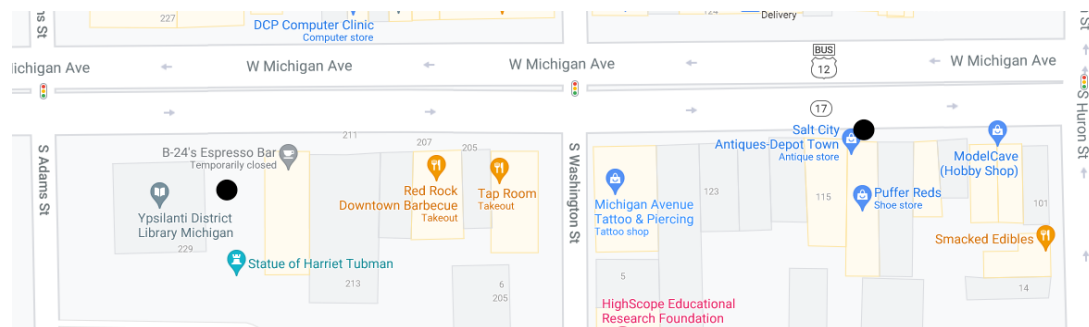

- Be a good neighbor. Consider other residents, including people that pass-by
- Perform when there are no activities scheduled
- Keep clear access along pedestrian area so people can move freely
- Leave performance area in a clean and tidy condition
- Stop entertainment immediately if any risk to public safety
- *Performance content must be appropriate for a general audience*

Register yourself as a performer or performance organization with the Arts Commission to learn more about the busking policy, including how to reserve performance locations in advance!

- Visit the Arts Commission's website (<https://cityofypsilanti.com/755/Arts-Commission>) or use the QR Code on the sign at each busking location to complete your online registration.

- The sidewalk in front of Puffer Red's (113 W Michigan Ave)

Depot Town

COVID-19 Guidelines

Busking performances must comply with any and all active public health orders issued by the City of Ypsilanti, Washtenaw County Health Department, and/or the State of Michigan Department of Health and Human Services.

The City of Ypsilanti Arts Commission strongly encourages busking performers to wear masks and maintain social distancing whenever possible. Additionally, we recommend people who have recently been knowingly exposed to COVID-19, have recently tested positive for COVID-19, and/or are experiencing symptoms associated with COVID-19 not participate in public performances of any kind.
