**Annual Report to Members: Fiscal Year Ending June 30, 2020**

December, 2020

To All Retirement System Participants:

The Board of Trustees of the Ypsilanti Fire and Police Retirement System is charged by law to administer the funds deposited in the retirement system so as to serve the best interests of the system's participants. Our job is to oversee the management of the system's funds, to arrange for the efficient and accurate payment of pensions to retirees, and to keep the members informed as to the status of the system. In the following pages you will find a summary report for the system covering the fiscal year from July 1, 2019 through June 30, 2020.

The Pension Board now manages the investment of money deposited in the DROP (Deferred Retirement Option Plan) program set up by the City and some police/fire unions.

What follows is a summary detail of the most significant aspects of the Retirement System's performance over the year. We remind you that a summary cannot cover all details of the system. Rules and regulations established by state law, city charter, and collective bargaining agreements all impact the fund and guide the Board in its actions. Please feel free to attend Board meetings if you want to learn more about how we operate.

The full audit of the City of Ypsilanti and the Pension System will be posted on the City of Ypsilanti website and will be available for public inspection when it is received.
