

How to cast your ballot using Verity Touch Writer

1 Use one of the following tools:

Move wheel and **Select** button

Jelly switches
(or your sip-and-puff)

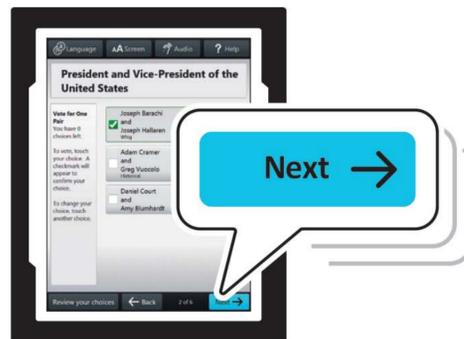

Touch screen

Note: If you want to listen to instructions and ballot choices, use headphones or a neckloop.

2

Select each choice; then select **Next** to move to the next contest.

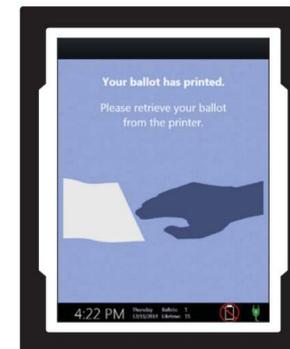

3

Review your ballot carefully to confirm your selections.

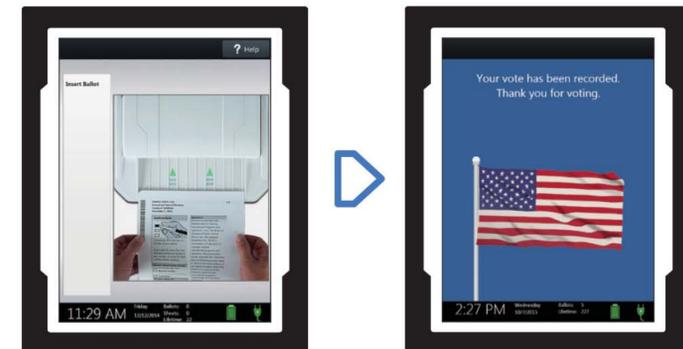

4

Print your ballot.

5

Cast your printed ballot by inserting it in the scanner.

A waving American flag appears, indicating success!
