

# TRANSLATORS RESOURCE LIST

**Translators do not have to be on the Translators Resource List to be acceptable**, but they must be a community or government agency, attorney, college, university, or *translation-related* business. Translators are **not** certified by the Michigan Department of State. When providing acceptable translated documents to the Michigan Department of State the translation must:

- O Be on the letterhead stationery of the agency that employs the translator and include the address of the agency. The letterhead on which the translation appears must also be translated if it is in a foreign language.
- O Include the legibly printed name and signature of the person who prepared the translation
- O Include a daytime telephone number where the translator may be reached
- O Include the date the translation was prepared.

Translations do not need to be notarized. A translation does not have to be prepared by an agency in Michigan or the United States. Translations prepared in other countries are acceptable if they meet Michigan Department of State requirements.

The agencies listed below may charge a fee for translating documents. Please inform your customer to ask the agency about any fees they may be expected to pay.

Note: An organization or individual not on this list may provide translations if they meet the requirements listed above.

The agencies and information on this list are subject to change without notice. Please check the yellow pages of your local telephone directory under “Translations” or “Translators” for other resources that may be available in your area. Translation services may also be available from local community agencies, colleges, universities, attorneys, and government agencies.
